Your audition consists of a scale and one required orchestral excerpt. You will submit ONE video file that includes all parts of the audition to this [FORM](#). You can either record the scale and excerpts all at once or you can edit videos together, but try to keep dead time to a minimum. Please review requirements under the "Video" portion of the [audition page](#). Excerpt links will take you to recordings that start right before each excerpt. These links are meant to serve only as a guide for your preparation. Please play the audition material at or near the metronome settings listed below.
